

July-Hōngongoi 2020

Another reminder to ensure your children have warm clothes, shoes and hats. All children love to get outside but due to the cold weather, if they do not have warm clothes, they will be required to stay inside.

A reminder to please return your aspiration forms asap. If you would rather discuss this with your child's profile teacher, just have a chat with them to find the best time 😊

If any contact details have changed, let a teacher know and we can update your details.

Just a reminder we are open for the school holidays.

If you are going to be away, please fill out the holiday form so we can ensure we have the right amount of staff working-we like to have time off too 😊

Van Service.

We would like to remind parents, for us to keep providing the van service, you must have your child ready half an hour either side of your booked in times. We are required by the Ministry of Education to be at the centre by 9am and 10am so we can not have any hold ups. If there is a pattern of holding up the van, your place will be reviewed.

Parent evening! We will be having our Matariki disco on Thursday 16th July at 530pm. Please bring your own dinner and come have a dance! There will be opportunities to talk with your child's teacher too.

A huge massive thank you to Corbin and his Dad who have given us wood for the carpentry table and Roger from Wells Builders for their donation of nails! The children have had a great time hammering away already

...Allergy's and illness...

It is a timely reminder to let parents know, if your child is sick (vomiting or diarrhoea) your child must stay away from the centre for 48hours AFTER their last bodily function. This is to keep everyone healthy.

If you are unsure if you can send your child, please phone the centre and someone will be able to help you.

On another note, if your child has a newly discovered allergy, they need to have an individual health plan in place for them at the centre.

Check out our cool visitor we had.
